SeaWorld

Undoubtedly one of San Diego's best known and most popular attractions, SeaWorld opened in Mission Bay in 1964, and Shamu, its resident killer whale, has become an unofficial symbol of the city. SeaWorld is very commercial and entertaining with plenty of whales, sharks, dolphins and penguins on display including various special animal performances. A behind-the-scene tour is also included.

San Diego City Tour and Cruise

This tour will show you the many diversified and unique areas as you journey through San Diego's vibrant Downtown. You will visit the **Gaslamp Quarter** with its old world buildings; **The Embarcadero** with wonderful harbor views; **Old Town**, California's birthplace; **Balboa Park** and its Exposition Museum buildings; **La Jolla** known as the Jewel of the Pacific; **Mount Soledad** with its panoramic ocean views and the historic landmark **Hotel Del Coronado** along with its beautiful beach.

The San Diego Harbor Excursion is a wonderful way to see the sights of San Diego by water. You will see first hand many of the Navy ships in the bay and it will give you a view of downtown from a different perspective.

Flower Fields – Carlsbad, CA

Carlsbad's famed Flower Fields are in full bloom in March and draws more than 200,000 visitors each spring when more than 50 acres of red, orange, yellow and pink ranunculus burst into bloom. Picture yourself in this sea of flowers with a panoramic view of the beautiful Pacific Ocean. You will also discover 70 designer and manufacturer outlets nearby – the Carlsbad Company Stores, offering savings of up to 70% off retail.

Fashion Valley Mall

San Diego's premiere shopping destination, featuring the most extensive collection of stores and restaurants in the entire region. Includes six department stores, such as, Neiman Marcus, Saks Fifth Avenue, Robinson's May and Macy's, and over 200 distinctive specialty shops, many of which are exclusive to Fashion Valley. A visit here means you'll not only find everything you desire, you'll find it's one of the most amazing shopping experiences of all time.

Cost: \$375.00 USD

.....

San Diego and the surrounding areas have many unique opportunities for visitors. Just a few of those are included in the schedule that has been arranged for spouses of conference attendees. The program will consist of four days of activities. Fee includes transportation, lunch and admission to all scheduled activities on the program. Individuals are also invited to the continental breakfast served each morning, the reception on Wednesday evening and the banquet on Friday evening.
